Ski & Snowshoe Rental & Liability Release

There are elements of risk in skiing or snowshoeing that common sense and personal awareness help reduce. Please follow the guidelines below to ensure your personal safety and the safety of others.

- Ski under control and in such manner that you can stop or avoid other skiers or objects.
- Do not stop when you can obstruct a trail or you are not visible to oncoming skiers.
- When entering a trail or starting downhill, yield to other skiers.
- Keep off all trails that are closed and observe all posted signs and areas. Snowshoers stay on the trail.
- Be safety conscious at all times.
- If you have a cell phone, carry it with you.

Please return the rented equipment to the Rental Room

I, the undersigned, know that Cross Country Skiing/Snowshoeing is a physical activity which may result in personal injury. I also know that there are natural and man-made obstacles or hazards of which, in combination with my actions, could cause injury. I acknowledge that I have read the above, understand these guidelines and agree to ski or snowshoe accordingly. I agree that I, and not Porcupine Ski Runners Cross Country Ski and Snowshoe Club am responsible for my safety while I participate in any sports activities on PSR property.
